Dear Dr. McAllister,

I have recently taken over the office of Treasurer of the IUB from Professor K. Yagi, and I notice from past correspondence, that a yearly invoice for subscription was sent by the International Union of Biochemistry to Special Members. I therefore enclose the 1989 Special Member subscription of The Council for tobacco Research - USA Inc, for your kind attention.

I would like to take this opportunity to thank you for your past and continuing support of the IUB and also to wish you and your company a prosperous 1989.

Yours sincerely

A.W. LINNANE
